Inventor(s): Karl Griesbeck
Filing Date: February 6, 2006

Dear Sir:

One February 27, 2006 we filed, via facsimile, a Claim for Priority and Submission of Documents with the Patent Office. On March 2, 2006, the said Claim for Priority and Submission of Documents was sent back to us with a letter from the USPTO Assignment Division stating the filing was submitted without a cover sheet.

On March 2, 2006, I called the Patent Office and spoke with an Examiner who upon further investigation stated our filing of the Claim for Priority and Submission of Documents was inadvertently directed to the Assignment Division and requested that I re-fax the Claim for Priority and Submission of Documents along with a letter explaining what happened to the Patent Office.

I am therefore re-faxing, for filing with the Patent Office, the Claim for Priority and Submission of Documents as requested by the Examiner. If you have any questions, please do not hesitate to contact me at (312) 474-6300.

I hereby certify that this correspondence is being facsimile transmitted to the Patent and Trademark Office, facsimile no. (571) 273-6300, on the date shown below.
